MEMORANDUM FOR: Dr. Henry A. Kissinger  
Assistant to the President for  
National Security Affairs

SUBJECT : Memorandum on Soviet and Chinese Aid  
to North Vietnam

1. Attached are three copies of the note surveying current patterns in Soviet and Chinese military aid to North Vietnam which you requested at the 10 July WSAG meeting. As I explained when you levied this request, our body of new evidence is slim, hence much of our analysis is unavoidably based on speculative inference rather than hard data, which cannot be acquired under current collection restrictions.

2. If you have no objections we will distribute this note to the other WSAG members and their principals. As usual, however, we shall make no such distribution until it is authorized by you or one of your associates.
